

FINDING THE WAY TO SAN JOSE

Well,
hello
there
Clarisse. As
I look
at the
crack
of
light
filtering in

through the drawn Elvis curtains of my hotel room, it appears to be morning. We had fun last night. The first picture is of, from left to right, Col. Morris Davis, Marcy and Jen Nessel of the Center for Constitutional Rights. Also present, but sadly out of the frame, were Jim White and our longtime friend and fearless roving reporter Rosalind.

Next picture is of Jim's beer choice. He ordered an "Ass Kicker Beer" and, as you can see was, in a stroke of bar server genius, served an "Ass Kisser". True story!
