Bates 00269-00270

2007-8808-IG004430

PDF 30-31

**Document 27, CIA Interrogation of Abu Zubaydah**

Includes both Top Secret (pages 1-10) and Secret (last 2 pages) description of Abu Zubaydah's treatment. It appears to have been written in early 2003, perhaps for the IG Report and/or Congressional briefing.

*Note the title is different but page length and content match.*

00297-00309

PDF 103-104

**Document 23, December 10, 2007, Trip Report**

Attaches summary (presumably from 2003?) of review of videotapes, as well as summary of waterboard exposures. Note reference to 81 waterboard applications. Also, forwarding email notes the summary was subsequently refined.

03/17/09 TCG8417

PDF 94-99

None

**Document 11, June 18, 2003, Interview Report**

Apparently interview of John McPherson, reflecting June 17, 2003 interview.

No Bates numbers.

PDF 33-37

**Document 22, December 3, 2007, Potential Statement—Videotapes story**

Describes one of the problems w/videotapes—number of waterboard applications

Includes 8 pages total, 7 totally blank

PDF 86-93

**Document 26, Interview Questions for [redacted]**

No tracking numbers or date. If this didn't have classification markings, I'd guess it was a press inquiry, not a CIA document.

Includes question about "views regarding whether the tapes should be destroyed"

PDF 106-108
