

GOP FOXES GUARDING THE UNDER-AGED HEN-HOUSE

As DemFromCT reported, Mark Foley resigned today, after a 16-year old page revealed sexually explicit emails the Congressman sent to him.

Congressman Mark Foley (R-FL) planned to resign today, hours after ABC questioned him about sexually explicit internet messages with current and former Congressional pages under the age of 18.

A spokesman for Foley, the chairman of the House Caucus on Missing and Exploited Children, said the congressman submitted his resignation in a letter late this afternoon to Speaker of the House Dennis Hastert.

Hours earlier, ABC News had read excerpts of instant messages provided by former pages who said the congressman, under the AOL Instant Messenger screen name Maf54, made repeated references to sexual organs and acts.

The chairman of the House Caucus on Missing and Exploited Children, exploiting children? Sounds like a remarkable, rare scandal, doesn't it? Only it's at least the third in what appears to be a pattern for the "Values Voter" Party—two other officials charged with protecting this country from sexual predators were, themselves, sexual predators.
