

GOP: IF YOU CAN'T DISENFRANCHISE BROWN PEOPLE AT THE FEC, DISENFRANCHISE THEM BY VOTE-CAGING

ONE VERY SPECIAL DISCLOSURE SURVEY

The McCain campaign is finally doing the work to ferret out all the improper conflicts of interest from among McCain staffers. But that still leaves the most troubling source of potential conflicts un-revealed—the conflicts in Cindy McCain's massive portfolio of financial investments.

THE BRILLIANCE OF THE EDWARDS

ENDORSEMENT

By getting Edwards' endorsement when and in the manner in which he got it, Obama undercuts much of the leverage Hillary has to bargain for concessions from Obama.
