

HELP ME STAVE OFF DICK CHENEY'S MICHIGAN INVASION!

Dick Cheney is coming to my neighborhood on Friday to help scary wingnut Congressman Tim Walberg raise money. Walberg's district (MI-07) begins about one mile from my doorstep, and I'd really like Tim and his crazy friend Dick to stay away.

Luckily, we've got a great candidate this year to replace Walberg—Mark Schauer. Schauer is currently the State Senator representing much of the district, as well as the Democratic leader in MI's Senate. He is a wonderful person, a very energetic politician, and a true Democrat. And a good friend of the blogosphere.

This week, MI's blogs, MichiganLiberal and Blogging for Michigan, and Blue America are running a fundraiser for Mark to punish Cheney for coming to Michigan. If you can help out, please do so. Think of it as an effective way to tell Dick to Go Cheney Himself.
