

MONICA GOODLING HELPED THE TERRORISTS WIN

Apparently, in Monica Goodling's world, Democrats are scarier than terrorists. That's the only thing I can conclude from the news that Goodling even politicized the hiring of an EOUSA counter-terrorism position, resulting in the US being served by an unqualified hack rather than someone who knew something about terrorism.

For example, an experienced career terrorism prosecutor was rejected by Goodling for a detail to EOUSA to work on counterterrorism issues because of his wife's political affiliations. Instead, EOUSA had to select a much more junior attorney who lacked any experience in counterterrorism issues and who EOUSA officials believed was not qualified for the position.

In a post 9/11 world, how did this go unmentioned? And what does President Bush plan to do about the fact that this woman helped the terrorists win?
