

HAPPY HOLIDAYS AND THANKS!

HAPPY HOLIDAYS to one and all. And my thanks to the greatest readers and commenters on teh internets! You folks are awesome, and none of it works without you. And thanks, most of all, to Marcy for the tireless and incredible work she does, and for letting me hang around and be part of the fun and excitement.

We had a wonderful Christmas Eve dinner at Casa de bmaz and then retired to watch Bing Crosby and Fred Astaire in *Holiday Inn*. For those not aware, *Holiday Inn* is the movie the Irving Berlin classic song *White Christmas* actually comes from, not the later movie with the title "White Christmas".

Well, Santa has just now completed his night's work and, later in the morning, it will be present time. Here's wishing you and yours all the very best.

It's the Holidays! How about a little more music? Well alright then, away we go!
