

DIFI: ZAZI INVESTIGATION BIGGEST SINCE 9/11

I'm watching the Senate Judiciary Committee [hearing on the PATRIOT Reauthorization](#). DiFi and Pat Leahy apparently revamped the bill last night.

She started by saying that the ongoing investigation into Najibullah Zazi is the biggest domestic terror investigation since 9/11.

An interesting claim...

Update: And, 10 hours later, I fix the typo in the headline, thanks to Bob in HI.
