

GITMO DETAINEE FILES WORKING THREAD

Hi folks, HUGE document dump tonight from the New York Times, NPR, Guardian, El Pais and even the Washington Post tagging in. Heck, just about everybody has them; probably the only people who won't be able to read the files are ... the detainees themselves who, of course, are currently [effectively precluded](#) from discussing such things with their lawyers.

At any rate, I am plowing through Charlie Savage's material at the NYT, and there have been numerous individual filings by the Times tonight. I am going to give the various links in the order they came across the wire tonight and open the floor for discussion:
