

# HELP ME U OF M, YOU'RE OUR ONLY HOPE, SOFTBALL TRASH TALK

As luck and airplane schedules and Senate debate would have it, Jim missed all of U Florida's extra time win over Auburn. And I missed all of U Michigan's "shorter than a cloture vote" game against LSU.

That means Monday night, our softball teams square off for all the marbles. Female Babe Ruth (she just hit 70 home runs, pitching wins, and player of the year) Lauren Haegar takes on badass Sierra Romero and a whole lot of hitting oomph.

There were a few Pac-12 teams in the World Series, but it was really UM against the SEC, singlehandedly.

Which is why you should all root for UM, cause it's the only thing standing between you and SEC overlordism.
