

PREDICTABLY, GOP CANDIDATES HAVE STARTED CALLING FOR DRONE STRIKES AGAINST IMMIGRANTS

Two days ago, as part of a Twitter discussion about how wasteful and ineffective a border wall would be, I predicted the Republican presidential candidates would recommend massively increased drone patrols and strikes on immigrants at the border, because it's expensive and unworkable, but would sound cool.

[@AthertonKD](#) I'm actually disappointed that none of the GOPers are recommending an army of drones (w/their crew).
