

HAS BMAZ REALLY NOT STARTED WORK ON TRASH TALK YET? OH NO I DIDN'T WANT TO HAVE TO DO THIS...

It seems bmaz is a bit rusty on Trash Talk, given that the SEASON starts in a less than 6 hours and there's still no sign of a Trash Talk thread.

So I'm going to leave this here, in hopes it will give bmaz the proper urgency, especially now that he is an avowed Pats fan.

Update: bmaz has caught up to the rest of us, so we'll move the trash-talking here.
