

THE GOP PAC-THETIC EFFORT TO DISCLAIM CAMBRIDGE ANALYTICA

For months, the GOP has insisted that the Trump campaign's ties to Cambridge Analytica didn't last very long (though they occurred during a key part of the Russian operation). But that says nothing about the Mercer PAC's ties to CA and whether the two entities succeeded in maintaining the legally required firewall.

TRUMP'S LEGAL TEAM: "IF THE LAW AND THE FACTS ARE AGAINST YOU, POUND THE TABLE AND YELL LIKE HELL"

Carl Sandberg once said, "If the facts are against you, argue the law. If the law is against you, argue the facts. If the law and the facts are against you, pound the table and yell like hell." TO COME

A little recap of events overnight while we wait for Channel 4's second video. This is an open thread.

“WHAT DID THE PRESIDENT DO AND WHAT DO HIS LAWYERS CLAIM HE WAS THINKING?”

DUTY OF CANDOR: THE TIMING OF THE SESSIONS NEWS

Republicans in Congress have thus far been cowardly about protecting Mueller, but some folks close to Mueller seem to be calling Jeff Sessions on his hypocrisy.

ANOTHER SHOE DROPPED: CAMBRIDGE ANALYTICA USED ITS OWN KOMPROMAT

I did NOT see this coming, a perfect example of blindness based in preconceived notions about technology companies: Cambridge Analytica created and used kompromat in campaign work.

THE TRUMP TOADIES WHO ARE WORRIED ABOUT BEING UNMASKED

An anonymous Trump transition official is FOIAing what seems to be very specific information on 21 Trump transition officials. It's a puzzling effort.

FACEBOOK CUTS OFF CAMBRIDGE ANALYTICA, PROMISES FURTHER INVESTIGATION

The news that Facebook has finally cut Cambridge Analytica off from its data is far more

momentous, in my opinion, than the firing of Andrew McCabe. Here's why.

ON MCCABE'S FIRING

My initial thoughts on the McCabe firing.

IN BID TO SLAPP STORMY DANIELS, TRUMP ADMITS HE FUCKED HER

In a bid to silence Stormy Daniels, Donald Trump just admitted he's David Dennison, the guy trying to silence Stormy Daniels.
