

# **OUR INDUSTRIAL POLICY IS THE F-35**

Trump's deal to save Carrier jobs may be a gimmick. But now that he has federalized state industrial policy decisions, it is also an invitation to consider our existing industrial policy – the F-35 and similar programs – and seek to improve it.

## **ARI FLEISCHER CALLS FOR A RETURN OF JEFF GANNON**

The biggest irony in Ari Fleischer's call for Trump to snub the "MSM" in laying out seats in the press room is that such a policy would lead to more "reporters" like male sex worker Jeff Gannon throwing softballs to people like Fleischer. More importantly, it ignores Fleischer's own role in the current distrust of the media.

## **THE WHITE HOUSE ATTEMPTS TO UNRING THE ELECTION INTEGRITY FEARMONGERING**

Over the weekend, the White House released an anonymous statement that suggests the pre-election fearmongering about Russian hacks of election-related infrastructure were overblown.

---

## **THE SELF SERVING JILL STEIN RECOUNT SCAM**

Jill Stein was a self serving quack vanity candidate from the start, now she is dragging

desperate regular Dems into her bogus grift.

## **SWEAR OR AFFIRM, PROTECT AND DEFEND**

We require elected officials and federal employees to swear an oath with specific requirements. Certain officials-to-be don't appear ready to fulfill their oaths to us.

---

## **TRUMP VERSUS THE [DEAD-ENDER] SPOOKS**

The war between Trump and the existing national security establishment is heating up, even as Trump considers one after another top military leader harboring a grudge against the Obama Administration.
