

IN HIS 302, WILLIAM BARNETT ADMITTED TO SAVING TRUMP [WHILE IGNORING AT LEAST FOUR PIECES OF EVIDENCE IMPLICATING HIM]

In his 302, William Barnett claims single-handed credit for preventing the Mueller team from concluding that Donald Trump had ordered Mike Flynn to undermine sanctions. He may be right. That's why it's so important that he claims to be unaware of at least four pieces of public evidence to the contrary.
