

IN BID TO SLAPP STORMY DANIELS, TRUMP ADMITS HE FUCKED HER

Earlier tonight, Trump's SLAPP suit lawyer, Charles Harder, is now suing sex worker Stormy Daniels for \$20 million, based on the claim that she violated the nondisclosure order with the signatory of the NDA 20 times.

Here's the operative bit of the filing though.

**DONALD J. TRUMP a.k.a. DAVID
DENNISON, an individual,**

In suing to enforce a nondisclosure agreement prohibiting Daniels from telling anyone the sad sack she fucked (and has videos fucking) is Donald Trump, Trump admitted that David Dennison, the guy she signed an NDA with, is him, Donald Trump.
