

# COHEN'S TESTIMONY IMPLICATES TRUMP AND HIS SPAWN

As you've heard, Michael Cohen pled guilty to lying to Congress this morning in conjunction with the Mueller investigation. Even what he testified to will implicate Trump and Don Jr directly. Here's what the information says Cohen lied to cover up:

**Cohen continued to pursue a Trump Tower Moscow deal for far longer than he testified he did, and briefed "family" on it, which presumably includes Don Jr (who therefore lied to Congress about it)**

The Moscow Project was discussed multiple times within the Company and did not end in January 2016. Instead, as late as approximately June 2016, COHEN and Individual 2 discussed efforts to obtain Russian governmental approval for the Moscow Project. COHEN discussed the status and progress of the Moscow Project with Individual 1 on more than the three occasions COHEN claimed to the Committee, and he briefed family members of Individual 1 within the Company about the project.

# The plans continued after the campaign got information about emails and were specifically structured around Trump getting the nomination; they ended when the DNC hack was reported

COHEN agreed to travel to Russia in connection with the Moscow Project and took steps in contemplation of Individual 1's possible travel to Russia. COHEN and Individual 2 discussed on multiple occasions traveling to Russia to pursue the Moscow Project.

COHEN asked Individual 1 about the possibility of Individual 1 traveling to Russia in connection with the Moscow Project, and asked a senior campaign official about potential business travel to Russia.

On or about May 4, 2016, Individual 2 wrote to COHEN, "I had a chat with Moscow. ASSUMING the trip does happen the question is before or after the convention . . . Obviously the pre-meeting trip (you only) can happen anytime you want but the 2 big guys where [sic] the question. I said I would confirm and revert." COHEN responded, "My trip before Cleveland. [Individual 1] once he becomes the nominee after the convention."

On or about May 5, 2016, Individual 2 followed up with COHEN and wrote, "[Russian Official 1] would like to

invite you as his guest to the St. Petersburg Forum which is Russia's Davos it's June 16-19. He wants to meet there with you and possibly introduce you to either [the President of Russia] or [the Prime Minister of Russia], as they are not sure if 1 or both will be there. . . . He said anything you want to discuss including dates and subjects are on the table to discuss."

On or about May 6, 2016, Individual 2 asked COHEN to confirm those dates would work for him to travel. COHEN wrote back, "Works for me."

From on or about June 9 to June 14, 2016, Individual 2 sent numerous messages to COHEN about the travel, including forms for COHEN to complete. However, on or about June 14, 2016, COHEN met Individual 2 in the lobby of the Company's headquarters to inform Individual 2 he would not be traveling at that time.

## **Cohen was in direct communication with Dmitry Peskov's office; and Putin's office contacted Felix Sater**

On or about January 14, 2016, COHEN emailed Russian Official 1's office asking for assistance in connection with the Moscow Project. On or about January 16, 2016, COHEN emailed Russian Official 1's office again, said he was trying to reach another high-level Russian official, and asked for someone who spoke English to contact him.

On or about January 20, 2016, COHEN received an email from the personal assistant to Russian Official 1 ("Assistant 1"), stating that she had been trying to reach COHEN and requesting that he call her using a Moscow-based phone number she provided.

Shortly after receiving the email, COHEN called Assistant 1 and spoke to her for approximately 20 minutes. On that call, COHEN described his position at the Company and outlined the proposed Moscow Project, including the Russian development company with which the Company had partnered. COHEN requested assistance in moving the project forward, both in securing land to build the proposed tower and financing the construction. Assistant 1 asked detailed questions and took notes, stating that she would follow up with others in Russia.

The day after COHEN's call with Assistant 1, Individual 2 contacted him, asking for a call. Individual 2 wrote to COHEN, "It's about [the President of Russia] they called today."

And all this is just what Mueller wants us to know.

According to ABC, Cohen has been providing information about ongoing contacts with Russians, and floated pardons, among other things.

The questioning has focused on contacts with Russians by Trump associates during the campaign, Trump's business ties to Russia, obstruction of justice and talk of possible pardons, sources familiar with the discussions have told ABC News.

Remember, too, that Trump just submitted a sworn open book test that would have answered this

question:

What communication did you have with Michael D. Cohen, Felix Sater and others, including foreign nationals, about Russian real estate developments during the campaign?

I would bet a lot of money Trump lied in his answer. Don Jr is in immediate trouble and pops isn't that far behind.
