

THE DATES OF MIKE FLYNN'S INTERVIEWS

In this post, I listed all the 302s (interview reports) from Mike Flynn reflected in the Mueller Report. This Bijan Kian filing includes a list of other dates which they have not gotten in discovery (marked as [Missing] below; h/t JG). An updated list looks like this:

Here are the known topics:

As of December 18, 2018, Flynn had sat for 19 interviews (I assume, but am not certain, that the January 24, 2017 and May 26, 2017 ones are pre-cooperation and therefore don't count). If that's right, with the two 2019 interviews, he has now sat for 21 interviews. Of the 19 we've got these identified (it's unclear whether the July 26 ones count as one or two interviews):

1. November 16, 2017: Trump appoint Flynn as NSA, first call with Putin, Israel vote, communications with Kislyak, December Kislyak call
2. November 17, 2017: Israel vote, December Kislyak call, especially comms with Mar a Lago, re Ignatius Flynn said he had not talked sanctions, Mar a Lago with Trump, Flynn's last meeting with Trump, "we'll take care of you"
3. November 19, 2017: Why sanctions, whether he told others at MAL, comms on 12/29, re Ignatius Flynn said he had not talked sanctions, Mar a Lago with Trump

4. November 20, 2017: Whether he told others at MAL, response to Ignatius
5. November 21, 2017: Whether he told others at MAL, response to Ignatius, meeting with Trump [Missing]
6. November 29, 2017: Peter Smith [Missing]
7. January 11, 2018: November 30 meeting with Kislyak [Missing]
8. January 19, 2018: Flynn did not have specific recollection about telling POTUS on January 3, 2017
9. April 25, 2018: Peter Smith
10. May 1, 2018: Peter Smith
11. June 13, 2018: Kian Trial prep [missing]
12. June 14, 2018: Kian Trial prep [missing]
13. June 25, 2018: Kian Trial prep [missing]; no time recorded
14. July 26, 2018, 2 pager
15. July 26, 2018, Kian Trial prep 4 pager [Missing]

Update, 7/14/19: Here are the additional Kian Trial meetings, per this memo (it's unclear what the four meetings recorded as Kian Trial prep are, given that it's unlikely the actual 302s are missing; so it's possible the government is distinguishing between cooperation and trial prep, which would have been – but now won't be – provided as Jencks given that the government is not calling Flynn as a witness):

- January 28, 2019: Kian Trial
- April 5, 2019: Kian Trial
- June 6, 2019: Kian Trial (in reality, this is just a meeting where Flynn's new lawyers meet with prosecutors)
- June 25, 2019: Conversation where Flynn blows up Kian trial

On this list, it's unclear whether Flynn's two July 26, 2018 interviews would count as one or two. In any case, it's virtually certain that the four interviews pertaining to Turkey are among those four not identified in this list (because the defense has already seen those). That would suggest that among those "missing" are all the ones that weren't otherwise described in the Mueller Report.

As I disclosed last July, I provided information to the FBI on issues related to the Mueller investigation, so I'm going to include disclosure statements on Mueller investigation posts from here on out. I will include the disclosure whether or not the stuff I shared with the FBI pertains to the subject of the post.
