Rogers. They were made so long ago, and are still so spot on correct:

"I'm not a member of any organized political party... I'm a Democrat."

"Democrats never agree on anything, that's why they're Democrats. If they agreed with each other, they'd be Republicans."

Both are still so evidently true. Watching this morning's "impeachment hearing" makes me want to puke. It is one of the most incompetent shit shows in history. The House Democrats, as led by Nancy Pelosi, and in this case Jerry Nadler too, could not legally litigate or argue their way out of a thin and wet paper sack. It is seriously pathetic and embarrassing.

Daniel Goldman is a tad better than Nadler and Barry Berke were, but the format is still ludicrous.

Probably we should talk about Hunter Biden more. Because members of corporate boards are NEVER hired for their names as opposed to expertise. Maybe cross-reference Theranos, but whatever.

Pelosi and Nadler have turned impeachment into such a craven shit and clown show that it is unbearable.
