

TRUMP'S LATEST EXECUTIVE ORDERS: HEAD FAKES AND HEAD GAMES

The White House isn't interested in addressing the pandemic's economic problems any more than they are interested in addressing the pandemic itself. It's snowing the media with head games and propping up Trump using head fakes while letting the country burn.

GOP SENATE WALKED OUT OF DC FOR A REASON: VOTER FORECLOSURE, 2020 EDITION [UPDATE-1]

The media needs to stop bothsides journalism and get the GOP on the record: why has the GOP not already funded financial aid and stimulus along with a moratorium extension on evictions? Is the GOP going foreclose on voters to save Trump's ass this November?

KILLER CLOWN ATTACKS AMERICAN'S

FREEDOMS...AND DR. FAUCI

'Gym' Jordan went off as he does regularly, this time on Dr. Fauci in Friday's hearing before the House Select Committee on COVID Oversight. We need a better circus act – one which doesn't further genocide and ethnic cleansing.

THREE THINGS: LOOK OVER THERE, NOT AT TRUMP'S FAILURES [UPDATE-1]

Trump's Thursday morning tweet stirred up people more than his average tweets do – which is saying a lot since his average tweets are pretty annoying. From what was he trying to redirect our attention?

AND THE GOOD TROUBLEMAKING GOES ON

I went to bed in tears last night.

They weren't tears of pain or shock or outrage. They were the tears you cry when the last of your grandparents "goes home." They're the tears of grief at the loss you've suffered, and the tears that say "It's your turn now." You have to tell the stories you learned at their knees, as you go on to make a difference in the lives of

others as they made a difference in your life.

I'm still in tears this morning, because I've got lots of stories to tell.

JUDGE EMMET SULLIVAN MAKES A SERIOUS HOLIDAY MOVE ON DOJ AND FLYNN

I have expressed some qualms over Judge Sullivan naming John Gleeson as the court's amicus on the crazy Flynn situation. But today there is a new player on the pitch, Beth Wilkinson.

Judge Sullivan has engaged a hired gun.

Folks need to understand the Yoda like move Emmet Sullivan made in hiring Beth Wilkinson.

First off, she is an absolutely fantastic advocate and tough as hell.

Second, she has serious DOJ cred.

Third, she still has major friends at Paul Weiss, and that counts below the surface.

Fourth, Brett Kavanaugh may well owe his Supreme Court seat to her.

Fifth, her husband is David Gregory, the former

NBC guy and now senior political guy at CNN. That is some media contact potential whether direct or indirect.

Also, again, she is really kick ass. Beth Wilkinson is a serious player, and a killer advocate. Judge Emmet Sullivan is not going quietly into the night. I actually thought that, given the short response time the DC Circuit ordered, Sullivan and his clerks might do the response themselves. Obviously they will still have major input, but this battle is joined, and in a very big way.

MITCH MCCONNELL JUST HELPED TRUMP TAKE KENTUCKY'S COPS AND TEACHERS HOSTAGE

Mitch McConnell is helping Trump take governors hostage, just like he did Ukraine's President. And that very much includes Kentucky's governor, Andy Beshear.

STRADDLING THE COVID-19 BARBED WIRE FENCE IN KANSAS

Kansas Gov Laura Kelly (D) issued a statewide "Stay at Home" order yesterday, and beyond the impact on corralling the COVID-19 epidemic, it also is forcing some in the Kansas GOP to straddle a very nasty fence, like US Representative Roger Marshall.
