

# **CAUSE THE HARM, AND THEN SAY NOTHING: TRUMP HAS HAD AILEEN CANNON'S PROOF OF HIS INJURY FOR A WEEK AND SAID NOTHING**

Trump has had the documents that Aileen Cannon used to claim he was harmed by the government seizure for a week, with no protective order prohibiting him from speaking about them. And he has been silent.

---

# **GRANTING STAY, 11TH CIRCUIT SCOLDS AILEEN CANNON FOR IGNORING EXECUTIVE ASSERTIONS ON NATIONAL SECURITY**

In rebuking Aileen Cannon for her injunction on DOJ's investigation into the classified files Trump stole, the 11th Circuit reminded her that courts grant the [current] Executive great deference on matters pertaining to classification and national security.

---

# **DOJ RAISES PROSPECT**

# **THAT TRUMP CONTINUES TO OBSTRUCT INVESTIGATION, INCLUDING OF EMPTY FOLDERS**

With each new filing, the government gets closer to suggesting they need to execute additional search warrants to find the contents of the empty folders found at Trump's beach resort.

---

# **TRUMP SWEEPS EVIDENCE OF OBSTRUCTION UNDER THE APPELLATE RUG**

Trump's response to the government's motion for a stay of some of Judge Cannon's order ignores (or misrepresents) a bunch of factual issues. But it also makes an appellate claim DOJ did not address.

---

# **DON'T ANALYZE TRUMP LEGAL FILINGS BASED ON THE LAW, ANALYZE**

# THEM BASED ON POWER

Seven years into the Trump phenomenon, commentators are still treating Trump and his advocates as if they care about the law or the truth. They don't. They care about sustaining a narrative of grievance that might allow him to resume power.

---

## TRUMP WANTS TWO WEEKS TO REVIEW 64 DOCUMENTS; DOJ EXPECTS REVIEW OF 500 DOCUMENTS A DAY

Trump's team is wailing that Raymond Dearie is going to adhere to the law during his Special Master Review.

---

## "THE RULE OF LAW IS NOT ASSURED:" THE CASCADING CONSTITUTIONAL CRISIS JUDGE AILEEN CANNON DELIBERATELY CREATED

By ordering Raymon Dearie to prioritize documents marked as classified in his Special Master review, Judge Aileen Cannon hastened the moment where we'll have a series of contentious

fight about the Separation of Powers.

---

## **ONLY ERIC HERSCHMANN (AND MAYBE CHRISTINA BOBB) LEARNED THE STEVE BANNON LESSON**

Even after Evan Corcoran's legal advice about Executive Privilege led Steve Bannon to be found guilty for contempt, he continued to try to push others, including Eric Herschmann, to follow the same advice.

---

## **IN MOTION FOR A STAY, DOJ RAISES PROSPECT THAT TRUMP LEAKED CLASSIFIED DOCUMENTS**

In its motion for a stay before the 11th Circuit, the government hinted that the investigation into Trump's document theft has expanded to consider whether and to whom he leaked these documents.

---

# **TRUST: IN BID FOR STAY, DOJ LIKENED TRUMP TO CATASTROPHIC INTELLIGENCE COMPROMISE**

In a footnote of their motion for a stay, DOJ analogized Trump to Nghia Pho, who by bringing files home from work is believed to have contributed to two global malware attacks.
