

# KENTUCKY DERBY DAY

Video not loading like it used to. Sorry about that. Here it is, as should be:

It is getting harder to properly embed videos from You Tube. Just imagine how bad a worthless prick like Musk can make the internet.

Okay, let's rip it up a bit. There is nothing like Derby Day. The hats are as insane as they look. And, yet. it is one of the greatest pieces of Americana ever. I have not been in a long time, but, jeebus, it was everything as advertised. And surely is still.

This is also the weekend of the Miami Grand Prix. The course looks like painted garbage with not enough racing surface to me, but maybe it will be better racing than expected.

Draw up a mint julep and enjoy.

This is a Trash Talk thread, have at it.
