s. There are not a lot of bands that have to be seen live, but Chrissie Hynde and the Pretenders are one of them. If they get anywhere near you, go see them, they are that good.

Here is a really good sample. Get past the drum solo, because this performance is really kick ass.

USC was not that good last night. Not sure it was a surprise, the Utes beat USC earlier this year, and totally beat the Trojans down last night.

Talk some trash and have some fun. And, yes, the baby blue Tele is hot.
