

SPECIAL MASTER IN PROJECT VERITAS INVESTIGATION REVIEWED CRIME-FRAUD SUBMISSIONS IN DECEMBER

Back in December, Paul Calli and his firm withdrew from the Project Veritas Special Master docket, and was replaced by Edward Greim, a partner in Matt “Big Dick Toilet Salesman” Whitaker’s firm. He also represents a number of Trumpsters before the January 6 Committee.

That’s interesting timing because, according to the invoice that Special Master Barbara Jones just submitted, she spent two hours that week reviewing Crime-Fraud submissions in the case.
