

TRUMP CONVICTED OF FRAUD TO COVER-UP FUCKING A SEX WORKER

The first five verdicts were guilty. Updates as they come.

Update: All 34 counts came back guilty.

Update: Sentencing will be July 11, the week before the GOP Convention.

Update: The Biden campaign has issued this statement.

Donald Trump has always mistakenly believed he would never face consequences for breaking the law for his own personal gain. But today's verdict does not change the fact that the American people face a simple reality. There is still only one way to keep Donald Trump out of the Oval Office: at the ballot box. Convicted felon or not, Trump will be the Republican nominee for president.

The threat Trump poses to our democracy has never been greater. He is running an increasingly unhinged campaign of revenge and retribution, pledging to be a dictator 'on day one' and calling for our Constitution to be 'terminated' so he can regain and keep power. A second Trump term means chaos, ripping away Americans' freedoms and fomenting political violence – and the American people will reject it this November.
