

TRUMP MUSKMAGEDDON OPEN THREAD

The year of our lord 2025 started with a rabid Musk-Trump supporter self-immolating himself in a Cybertruck parked in front of a Trump casino, trying to send us all a message.

The most interesting development in the burgeoning Civil War between two historical narcissists is that Elon unfollowed both Stephen Miller and Charlie Kirk (the latter whom drooled a bit about how wonderful it was Elon decided to platform Nazis after he bought Twitter).

But that's just one girl's opinion. Feel free to share yours below!

Some of y'all cant handle 2 high agency males going at it and it really shows

This is direct communication (phallocentric) vs indirect communication (gynocentric)

I understand you aren't used to it
