

TRUMP ALREADY CONFESSED HE KNEW ABOUT “THE GIRLS”

On the same day Adelita Grijalva will finally be sworn in and provide the 218th vote to force a vote to release the Epstein files, Oversight Dems have released three records from Jeffrey Epstein’s estate making it clear Trump is more implicated in Epstein’s crimes than he has let on.

There’s one email that will ensure that Melania Trump backs off her threat to sue Michael Wolff. He and the sex trafficker were discussing *how to craft an answer* Trump could give to CNN about their relationship during the 2015 election.

I think you should let him hang himself. If he says he hasn't been on the plane or to the house, then that gives you a valuable PR and political currency. You can hang him in a way that potentially generates a positive benefit for you, or, if it really looks like he could win, you could save him, generating a debt. Of course, it is possible that, when asked, he'll say Jeffrey is a great guy and has gotten a raw deal and is a victim of political correctness, which is to be outlawed in a Trump regime.

Effectively, Epstein was offering to provide Trump an answer to make things easy on Trump.

The most damning describes Epstein, discussing with Ghislaine Maxwell in 2011 one of the victims spending “hours at [Epstein’s] house with Trump.

That conversation transpired in April 2011, just

a month before Trump dropped out of the presidential race.

The most intriguing was another email exchanged with Wolff, just six months before Epstein was arrested and then suicided, in which Epstein claimed Trump was lying when he “said he asked me to resign, never a member ever.”

VICTIM [REDACTED] mara lagoon. [REDACTED] . trump said he asked me to resign, never a member ever. . of course he knew about the girls as he asked ghislaine to stop

One of the first times this claim was aired was in a 2007 Page Six story that preceded many of the details becoming public.

Meanwhile, the Mar-a-Lago Club in Palm Beach last night confirmed a Web site report that Epstein has been banned there. “He would use the spa to try to procure girls. But one of them, a masseuse about 18 years old, he tried to get her to do things,” a source told us. “Her father found out about it and went absolutely ape-[bleep]. Epstein’s not allowed back.” Epstein denies he is banned from Mar-a-Lago and says, in fact, he was recently invited to an event there.

Trump has, at times, admitted he served as an anonymous source for Page Six.

Trump repeated this story, in two parts, in July.

First, days after Todd Blanche sat down with Ghislaine Maxwell, Trump described that Epstein “hired help” from Trump, and continued doing so even after Trump “said, don’t ever do that again,” implying that he told Epstein to stop.

What caused the breach with him? Very easy to explain. But I don’t want to waste your time by explaining it. But

for years I wouldn't talk to Jeffrey Epstein. I wouldn't talk. Because he did something that was inappropriate. He hired help. And I said, don't ever do that again. He stole people that worked for me. I said, don't ever do that again. He did it again. And I threw him out of the place. Persona non grata. I threw him out. And that was it.

Then, the next day, Trump confessed that Virginia Giuffre was one of the "young women" that Epstein "stole."

Reporter 1: I'm just curious. Were some of the workers that were taken from you – were some of them young women?

Trump: Were some of them?

Reporter 1: Were some of them young women?

Trump: Well, I don't wanna say, but everyone knows the people that were taken. It was, the concept of taking people that work for me is bad. But that story's been pretty well out there. And the answer is, yes, they were.

[inaudible]

Trump: In the spa. People that work in the spa. I have a great spa, one of the best spas in the world at Mar-a-Lago. And people were taken out of the spa. Hired. By him. In other words, gone. And um, other people would come and complain. This guy is taking people from the spa. I didn't know that. And then when I heard about it I told him, I said, listen, we don't want you taking our people, whether they were spa or not spa. I don't want him taking people. And he was fine and then not too long after that he did it again and I said Out of here.

Reporter 2: Mr. President, did one of

those stolen persons, did that include Virginia Giuffre?

Trump: Uh, I don't know. I think she worked at the spa. I think so. I think that was one of the people, yeah. He stole her. And by the way, she had no complaints about us, as you know. None whatsoever.

Both these limited hangouts, delivered in the wake of Blanche's interviews with Maxwell, blame *Epstein* for stealing his girls.

But it wasn't Epstein stealing the girls and he didn't tell Epstein to stop.

He told *Maxwell* to stop.

And then he lied and claimed he had kicked Epstein out as a result.

And then Todd Blanche moved Epstein's co-conspirator, who didn't mention the girl Trump spent hours with or remind Blanche of Trump's knowledge she was trafficking girls from his club, into comfier digs.
