

TWO YEARS TO INDICT TAN NGUYEN

Remember Tan Nguyen? He's the asshole who, in his race against Loretta Sanchez in 2006, sent out fliers in Spanish to recently registered voters warning that immigrants could be imprisoned if they voted.

DEBATE PREDICTION: SCHIEFFER RAISES AYERS

Will McCain have to choose his manhood or his honor during tonight's debate? With Bob Schieffer as moderator, I predict he won't have to make that choice.

TODD WORMTONGUE

Todd Palin reminds me of the character Wormtongue from Lord of the Rings, lurking around and spying for the tyrants in power. And some of it may have been illegal.

PUTIN INVADES ALASKA

I thought Sarah Palin promised she'd prevent Vladimir Putin from invading the US. But while she's been distracted with her VP bid, the Russians went and invaded Alaska.

WHO SIGNED THE EXPLICIT AUTHORIZATION TO
