

# HOW TO SPEND \$57 MILLION ON COCKTAIL WEENIES

Larry Johnson does the math, so I don't have to. Fitzgerald's total costs to investigate the deliberate outing of a CIA spy, through March 31, amount to \$2,396,283. Ken Starr's total costs, to investigate a failed land deal and a blow job, amount to \$59,463,703. I guess all those cocktail weenies Starr bought for the press really add up, huh?

Now that Larry pulled all these numbers together, though, I'd like to
