

THE JOSH SCHULTE TRIAL MOVES TO DELIBERATIONS

As the jury starts to deliberate in Josh Schulte's second trial today, here's a review of what they'll be considering.

ON JOSH SCHULTE'S CONTINUED ATTEMPTS TO HACK THE JUDICIAL SYSTEM

For over a year, Josh Schulte has been attempting to hack the justice system prosecuting him. As his trial kicks off tomorrow, it'll become more clear whether he succeeded.

FBI'S RUSSIAN HACK- AND-LEAK INVESTIGATION AS DISCLOSED BY THE SUSSMANN TRIAL

Michael Sussmann's involvement with the FBI in 2016 looks very different when viewed from his perspective as the key point of contact between the FBI and several entities victimized by Russia.

TECHNICAL EXHIBITS, MICHAEL SUSSMANN TRIAL

A repository of materials from the Michael Sussmann trial related to technical issues.

THE METHODOLOGY OF ANDREW DEFILIPPIS' ELABORATE PLOT TO BREAK JUDGE COOPER'S RULES

Andrew DeFilippis pulled a stunt to have someone who admits he's not an expert on DNS make a categorical attack on the white paper Michael Sussmann shared with the FBI.

CONFIRMED: JOHN DURHAM HAS WITHHELD DISCOVERY THAT DOJ ALREADY DISPROVED HIS CLAIMS OF

POLITICAL MALICE

John Durham's entire trial strategy consists of claiming that it was obviously political to investigate a real forensic anomaly to see whether it explained why Russia responded to Trump's call for more hacks by renewing their attack on Hillary. He's doing so while withholding abundant material evidence that DOJ already decided he's wrong.

FIVE YEARS AFTER WIKILEAKS EXPOSED CIA IDENTITIES IN VAULT 7, UK MOVES CLOSER TO ASSANGE EXTRADITION

Julian Assange's attempt to appeal Vanessa Baraitser's ruling that his elicitation of hacking makes him different from journalists would be a lot harder to argue if the US superseded with Vault 7/Vault 8 charges.

JOHN DURHAM SAYS ELECTION-HACK VICTIMS SHOULD WAIT UNTIL AFTER THE ELECTION TO REPORT TIPS

John Durham says Michael Sussmann's alleged lie is material because the FBI needed to know that

neither his nor Rodney Joffe's cybersecurity concerns were real.

The problem is, he hasn't alleged that, much less proven it.

BEHIND THE ARREST OF PUTIN'S PEN-TESTER, VLADISLAV KLYUSHIN

A guy I will call Putin's pen-tester for the information operations that he provided to Russia's Presidential Administration was just extradited to the US because, on the side, he was allegedly engaged in insider trading.

DOJ'S EX PARTE CLASSIFIED PLANS FOR JOSHUA SCHULTE — AND MAYBE, JULIAN ASSANGE

Before and after the extradition appeal for Julian Assange, DOJ submitted an ex parte filing in the Joshua Schulte case that, they said, would affect the timing of Schulte's retrial next year.
