

JOSHUA SCHULTE UNDERMINES THE WIKILEAKS CLAIM TO PUBLISH “WHISTLEBLOWERS”

WikiLeaks boosters like to claim that the organization serves whistleblowers. In the case of Joshua Schulte, it instead provided an easy way for a disgruntled spook to burn the CIA down and excuse his actions by claiming to be a whistleblower.

“SHOW ME THE METADATA:” A FORENSIC TIE BETWEEN SHADOW BROKERS AND GUCCIFER 2.0

Someone may have accessed a staging site for The Shadow Brokers from the same IP address as accessed Guccifer 2.0 infrastructure.

GRU ADOPTED THE IDENTITY OF TWO UK JOURNALISTS TO PHISH

THE OPCW

The only detail about the GRU hack of the OPCW and Porton Downs included in a new GRU indictment is that the phishes laying the groundwork for the attack were done using spoofed identities of real journalists.

“A DIGITAL PEARL HARBOR:” THE WAYS IN WHICH THE VAULT 7 LEAK COULD HAVE COMPROMISED US AND BRITISH ASSETS’ IDENTITIES

WikiLeaks would like to believe that nothing happened after 2013 that would change DOJ’s understanding of those earlier exposures of US (and British) assets.

But the very same Mike Pompeo speech that they’ve all been citing explained precisely what changed. The US government had a different understanding of WikiLeaks’ facilitation of the exposure of its assets identities.

THE US ASKS SPAIN TO PIN DOWN THE UC

GLOBAL ACCUSATIONS BEFORE RESPONDING

The US has refused to respond to a Spanish request for information regarding WikiLeaks' claims that UC Global illegally spied on Julian Assange for the CIA until Spain provides more information about what they're actually investigating.

RETURNING TO VENUE IN THE PETER DEBBINS CASE

The details laid out in accused Russian espionage recruit Peter Debbins' detention hearing suggest his actions extended beyond the January 2011 act laid out in his indictment.

THE EDVA VENUE AND THE PETER DEBBINS INDICTMENT

One of the more interesting details in a new Espionage indictment is the venue, in EDVA.

THE GROWING WIKILEAKS CONSPIRACY [INDICTMENT]

Another post on why I think DOJ is going to keep adding to its Assange indictment.

THE GOVERNMENT ARGUES THAT EDWARD SNOWDEN IS A RECRUITING TOOL

In the superseding indictment for Julian Assange, the government describes WikiLeaks' efforts to recruit other leakers by pointing to their efforts to rescue Edward Snowden. But that's not the first time the government has discussed Snowden as a recruiting tool.

THE SUPERSEDING ASSANGE INDICTMENT TIDIES UP CFAA CHARGES

By expanding the CFAA charges in the Julian Assange indictment, DOJ has made his extradition on those charges, at least, far stronger – and also sets up a framework into which DOJ can add other co-conspirators going forward.
