

SUPPORT AND ELECT MOE DAVIS FOR CONGRESS

It is always the right time to do the right thing. The right thing is Moe Davis for Congress in NC-11. The time is now. Support and vote.

WILL ROGERS WAS RIGHT ABOUT THE DEMOCRATS

Rogers. They were made so long ago, and are still so spot on correct:

"I'm not a member of any organized political party... I'm a Democrat."

"Democrats never agree on anything, that's why they're Democrats. If they agreed with each other, they'd be Republicans."

Both are still so evidently true. Watching this morning's "impeachment hearing" makes me want to puke. It is one of the most incompetent shit shows in history. The House Democrats, as led by Nancy Pelosi, and in this case Jerry Nadler too, could not legally litigate or argue their way

out of a thin and wet paper sack. It is seriously pathetic and embarrassing.

Daniel Goldman is a tad better than Nadler and Barry Berke were, but the format is still ludicrous.

Probably we should talk about Hunter Biden more. Because members of corporate boards are NEVER hired for their names as opposed to expertise. Maybe cross-reference Theranos, but whatever.

Pelosi and Nadler have turned impeachment into such a craven shit and clown show that it is unbearable.

THREE THINGS: ERASING, ERASED, ERASURE

At least 75% of Americans are being erased if they haven't been already by the remaining uppermost deciles. You, too, are probably erased by the plutarchy.

COMMUTING BLAGO'S WILDLY EXCESSIVE SENTENCE WOULD BE RIGHT FOR TRUMP TO DO

Why Trump really should commute the sentence of Rod Blagojevich.

A FEUD FOR FUN AND PROFIT

None of the internecine squabbling between House Democrats' factions gets them any closer to doing what the 2018 Blue Wave told Democrats needed to be done. When will House Dems pull out of their navel-gazing spiral?

CLOUD COMPUTING AND THE SINGLE SERVER

An abbreviated primer on cloud computing and points to ponder about the mythological 'single server'. This is an open thread.

DO THE RIGHT THING: BREAK SOME EGGS AND IMPEACH

There's really no question about what must be done. There's only fight against spin protecting an un-indicted co-conspirator, or worse. This is an open thread.

FIRST STEPS TOWARDS CHANGE

Democrats must govern aggressively.

THREE THINGS: STILL ACTIVE MEASURES

It's interesting how certain narratives are
pushed when tensions rise. But are they really
theories or conditioning? What other
conditioning might happen if media
infrastructure changed? This is an open thread.
