

# WHAT RILEY SAID ABOUT ROVE

Let's take a look at what Rob Riley had to say about Karl Rove's involvement in Don Siegelman's investigation and prosecution in his affidavit. In the midst of an affidavit full of "I don't remember" and "I don't recall," Riley says some very specific things about Rove.

The first mention comes toward the end of a very long, very hedged statement about the phone call on November 18, 2002.
