

# **WHOSE CREDIBILITY IS DECLINING FASTER?**

Mike McConnell or General Petraeus?

Petraeus has become Fox's latest pundit, while McConnell is claiming the amended FISA is responsible for those German terror arrests last week.

The government's ability to eavesdrop on terrorism suspects overseas allowed the United States to obtain information that helped lead to the arrests last week of three Islamic militants accused of planning bomb attacks in Germany, Mike McConnell, the director of national intelligence, told senators on Monday.
