# **BANNON'S ONE-TIME CO-CONSPIRATORS ADMIT THEY CHEATED TRUMP SUPPORTERS IN THE CONSPIRACY TRUMP PARDONED BANNON FOR**

The Build the Wall fraud – where Trump allowed close associates to cheat his supporters, only to have Trump selectively pardon the single important person accused in the fraud in seeming exchange for his role in an even bigger fraud – perfectly captures Trump's parasitic relationship with the cult he has created. It's a pyramid scheme of abuse in which, thus far, the little guys at the bottom are the ones who pay the biggest price.
