

TRASH TALK: WHEREIN THE CHAMPS SHOOT THEMSELVES IN THE FOOT THIGH

Will Plaxico's latest idiotic stunt let the Skins stay in the hot race in the NFC East?

TRASH TALK - THANKSGIVING STUFF YER FACE EDITION

It's Turkey Day!!! Time to get fat and happy people. And then, when you cannot have one more round of food, you simply must have one more wafer thin mint! Hey, is anybody out there having the John Madden specialty of Turducken instead of turkey? Okay, this is a short trash talk for the Thursday Thanksgiving Day games only.

TRASH TALK - CLASH OF THE TITANS EDITION

It's trash talk time again. And this week as a great slate of games, so let's get down to the nitty-gritty. Oh, and happy trails to Annika Sorenstam, who has played her last round of competitive golf.

TRASH TALK - POST THROWDOWN ACTION

Okay, we shot our wad a little early this week with the special Thursday Throw Down. But man, what a game. J – E – T – S Jets, Jets, Jets! Okay, enough of that; the Pats will be back, and the Jets have to deal with masaccio's Titans next week, so it is a temporary euphoria. Lots of good games left this weekend, both college and pro.

TRASH TALK - THURSDAY THROW DOWN SPECIAL EDITION

It's here baybee!!

Marcy's Pats are hooking horns with bmaz's New York Bretts.

TRASH TALK - ELECTION WEEKEND SPECIAL EDITION

Down to the nitty gritty. The big game is Tuesday. I am not talking about University of Buffalo v. Miami of Ohio. I am talking The Obama State U v. McCain Community College. This OSU isn't in the Big 10, and we are expecting victory baby! Lets get down to the games for the

weekend.

EW'S TRASH TALK - JOEPA IS WASHED UP; LONG LIVE JOEPA!

A good deal of bloviating, hand wrenching and general tut tutting was done in the previous off season for NCAA football over Joe Paterno. He is old. He has lost it. His team is out of control. The Nittany Lions are mediocre and must move on to a new era. Oops, JoePa ain't dead yet!

TRASH TALK - ALL YOU KNEED TO KNOW ABOUT TOM

In all the hubbub over the election, debates, McCain inciting racial strife and, of course, our economy continuing to fall off the face of the earth, the usually astute american public consciousness has lost track of a critically important story they usually would be all over. Tom Brady has undergone yet another knee operation.

TRASH TALK - SOONERS

& (FREE)PATRIOTS EDITION

It must be extremely chilly in hell, because I am going to write about the Okielahoma Sooners. Seems they have a game today. Against some chaps with horns. Long ones. It is the Red River Shootout and John Wayne is nowhere in sight, but Mack Brown and Bob Stoops are.

TRASH TALK - MRS. O'LEARY'S BOVINE EDITION

Well, I tell ya, the natives are restless out there. Randiego has been mercilessly hammering on the Patriots lately. Can they upset the Niners today? Lots of other good games going on too. Unless you are a Cubs fan; but just wait till next year!
