

TRASH TALK - MRS. O'LEARY'S BOVINE EDITION

Well, I tell ya, the natives are restless out there. Randiego has been mercilessly hammering on the Patriots lately. Can they upset the Niners today? Lots of other good games going on too. Unless you are a Cubs fan; but just wait till next year!

TO FAVRE OR NOT TO FAVRE, THAT IS THE EW TRASH TALK QUESTION

Marcy has been pimping me to do up a Favre post ever since the first rumors came out of his waffliness months ago. Who am I to deny the hostess with the mostess? You guys have been quiet for too long, trash the joint dammit!

BUT ... BUT ... WHAT ABOUT OVERSIGHT?

"Scottish Haggis" Specter, letting his better judgment get the better of him, has decided he has better things to do with his time.

Sen. Arlen Specter said he won't call for congressional hearings on the NFL's investigation of the Spygate scandal after previously threatening to do so. Specter's office confirmed Tuesday his comments a day earlier to the Philadelphia Daily News editorial

board, in which he said "I've gone as far as

EW'S FAMOUS FOOTBALL TRASH TALK* - WHAT THE PUCK EDITION

Are you ready for some football? Hot damn, I am. And guess what, there really is football to talk about. And lots of other things too, but let's start off with the gridiron. Trash talks are fairly infrequent these days, so go to town on any and all sports, and any other trashin you got on your mind.

EMPTYWHEEL'S FAMOUS FOOTBALL TRASH TALK* SUPER BOWL XLII EDITION

Show Time Baby! The big one is upon us. Whats up with Tom's boot? That Giselle is kinda cute. Michael Strahan is a hoot. It is all happening right here in the Valley of the Sun; and currently Valley of the unusually cold. But the sun is shining, the stars are all here and everybody is working to the weekend. Beer thirty is going to start now and go until the fat lady is done singing. Crack open a cool one and start trashing up the joint.

BYE WEEK TRASHTALK: THE MYSTERY OF BRADY'S BOOT

I'm beginning to believe the whole Brady Boot thing is a plot, cooked up by Bill Belichick, to seriously mess with the press and possibly even the Giants pre-game planning.

CHAMPIONSHIP TRASH TALK PART DEUX - GO PACK GO!

You guys sure talk a lot. Keep it up! Go Pack!

EMPTYWHEEL'S FAMOUS FOOTBALL TRASH TALK THREAD* - CHAMPIONSHIP SUNDAY EDITION

Championship Sunday brings conflicting emotions for me. It brings the very essence, the finest, that pro football has to offer; the two best teams in each conference duking it out for the right to go to the Super Bowl. It also means that, save for the commonly anti-climatic Super Bowl, the football season is over, and that

leaves a hole in the sports, and emptywheel,
world until next fall. Well, enough of that, we
DO have one outstanding day of gridiron glory
left, lets get to it.

TRASH TALK TOO

Dang you guys trash talked a bunch while I was
waiting for the Pats to catch up!!!

In the interest in keeping the threads under 500
comments, I'm going to do another trash talk
thread—so we can all channel good thoughts about
the Bolts beating the Colts.

Predictions are (tell me how I've screwed this
up in the comments):

EMPTYWHEEL'S FAMOUS FOOTBALL TRASH TALK THREAD* - DIVISION PLAYOFF EDITION

We are now down to genuine pro football. No more
Cinderellas; the teams that ought to be here are
here. Who you taking? Why? The tundra is frozen,
time to get it on!
