

THE POLITICS OF THE GREEN NEW DEAL: CONCLUSION

The Democrats must act like a real political party. Activists have to try new ways to communicate. What we're doing now isn't working.

THE POLITICS OF THE GREEN NEW DEAL: CONVENTIONAL WISDOM

The conventional wisdom dug this hole. It won't get us out.

THE POLITICS OF THE GREEN NEW DEAL: MORE DEMOCRACY

The Green New Deal gives everyone a voice in the matters that affect our lives.

THE POLITICS OF THE GREEN NEW DEAL: WE

CAN'T PAY FOR THAT

Pay now or pay a lot more later. If you survive.

THE POLITICS OF THE GREEN NEW DEAL: OMG IT'S SOCIALISM!

It's time for government to exercise its democratically earned power to protect us from Capitalism, and to protect Capitalism from itself. That's the meaning of the Green New Deal.

THE POLITICS OF THE GREEN NEW DEAL: THE OPPOSITION OF THE RICH

The good things about the Green New Deal, including the things it does for capital, are not enough to stem the outrage of the capitalists.

THE POLITICS OF THE

GREEN NEW DEAL: PART 2 ON CAPITAL

Capital faces disruptions and major losses due to climate change. The Green New Deal offers protections for the interests of capital.

THE POLITICS OF THE GREEN NEW DEAL: PART 1

The Green New Deal rejects the neoliberal project of protecting capital and capitalists at all costs. It puts the working class and the planet first.

THE GREEN NEW DEAL CHALLENGES THE DOMINATION OF CAPITAL

Capital dominates our public and private lives. The Green New Deal returns power to the majority to determine our future.
