

SPEAKING FROM CANCER

Update: Here's Murray's own take.

It almost seems like Howie didn't have the heart to do it, to insinuate that Murray Waas' past struggles with cancer influence his current reporting. But true to his smarmy self, Howie musters up several suggestions that the cancer has compromised Murray's reporting.

For a reporter whose specialty is digging out secrets, Murray Waas has been keeping one about himself for a long time.
