

STEWIE'S ASSAULT RIFLE: COMINGS AND GOINGS IN THE SEDITION MILITIA

Perhaps to increase paranoia, the sedition indictment adopts a new naming convention that helps to obscure who has flipped against other Oath Keepers.

BREAKING (WAPO'S STENOGRAPHY): PROSECUTORS ARE ASKING ABOUT RUDY GIULIANI'S TIES TO MILITIAS

In an article asking whether prosecutors are investigating Trump, the Washington Post buried evidence that prosecutors believe Rudy has ties to the militias who organized the event in paragraph 30.

JANUARY 6 DECONFLICTION: "THIS IS PART OF A MUCH

BIGGER CONSPIRACY”

The many investigations into aspects of Trump’s coup attempt each focus on parts of a much bigger conspiracy. And until we see all those pieces we won’t see how they all work together. But there are increasing signs that others are putting those pieces together.

ONE MAN’S FLOURISH IS ANOTHER MAN’S SEDITIONOUS CONSPIRACY: DOJ’S TYPO AND THE BRANDON STRAKA PLEA DEAL

DOJ has confirmed that Brandon Straka is getting a ridiculously lenient plea deal because he “cooperated” with the government. That said, their sentencing memorandum includes more questions than answers.

AFTER A SIX HOUR HEARING ON LAWSUITS AGAINST TRUMP, THE ONLY CLEAR THING IS DON JR IS IN THE CLEAR

A long hearing in several lawsuits against Trump and others for January 6 leaves just two key takeaways, in my opinion: Don Jr is probably in the clear based on his fruitless effort to get his dad to call the riot off, and it's fairly uncontroversial to claim the Oath Keepers and Proud Boys entered into a conspiracy together.

DISCOVERY DELAYS AT THE EAST DOOR: WHAT KEY JANUARY 6 PLEA

NEGOTIATIONS LOOK LIKE

Last week, proceedings pertaining to seven men who likely have insight into the breach of the East door suggested some of them might plead, which might lead to more information on that breach. But in both cases, they said it would take at least two more months to get there.
