

# HOW 9 MONTHS OF CAMERA FOOTAGE BECAME 8 YEARS

Using Trump's funny math, prosecutors obtained more than ten years of video footage (counting each camera separately and adding up all the days from which camera footage was obtained). That suggests that prosecutors are interested in more than just Trump's obstruction of the investigation.

## **DISCOVERIES IN THE STOLEN DOCUMENT**

# DISCOVERY

DOJ obtained surveillance footage from Mar-a-Lago during the same period it was asking about Trump's foreign business ties and accusing Carlos De Oliveira of hiding his memory of why Trump returned to Mar-a-Lago twice last July.
