

REVIEWS OF THE DEFICIT MYTH

Reviewers try to come to grips (or not) with the insights of Modern Monetary Theory.

SOCIAL SECURITY AND OTHER ENTITLEMENTS

Social Security, Medicare, Medicaid and SNAP are essential sources of funds for huge numbers of us. Republicans use them to scare old people.

MMT ON INTERNATIONAL TRADE

International trade can improve all our lives, not just the lives of the rich and powerful.

THE WONKISH MYTH OF CROWDING OUT

A myth made for insiders.

THE NATIONAL DEBT IS SOOOOOOOO BIG

So what?

REFLECTIONS ON THE DEFICIT MYTH

Definition of money, and other thoughts on The
Deficit Myth by Stephanie Kelton

MMT ON INFLATION

MMT recognizes the danger of inflation and
explains how we can cope.

DEBUNKING THE DEFICIT MYTH

Federal expenditures are not constrained by the
ability of the government to tax and borrow.

THE DEFICIT MYTH BY

STEPHANIE KELTON: INTRODUCTION AND INDEX

Stephanie Kelton's new book lays the foundations
for an economics for progressives.

COVID-19 AND CLASS STRUCTURE

Government response to the Covid-19 pandemic
demonstrates the class structure in the US.
