

THE “AT LEAST ONE OTHER DISTRICT” MIKE FLYNN’S COOPERATION LIVE IN

Details from a hearing in the prosecution of Mike Flynn’s business partner yesterday suggest still more complexity to the investigations that have spun off of Mueller’s primary investigation.

LISA PAGE CONFIRMS THAT THE TRUMP CAMPAIGN INVESTIGATION WAS DIFFERENT THAN RUSSIAN INFO OPS INVESTIGATION

Lisa Page confirms a point I’ve long made about the Mueller investigation: at the start, the investigation was separate from the investigation into Russia’s efforts to hack the election.

JUDGE AMY BERMAN

JACKSON LAYS THE PRECEDENT FOR FARA

Amy Berman Jackson's comments about FARA at the Paul Manafort sentencing may serve as precedents as DOJ moves to increasingly prosecute FARA going forward.

MUELLER IS CLOSE TO DONE, BUT THE ANDREW WEISSMANN DEPARTURE IS OVERBLOWN

Every Mueller prosecutor has moved on after finishing their designated task. Therefore, we're likely to learn more to expect about how Mueller's investigation will end from reading other tea leaves than by misreading the departure of Andrew Weissmann.

PAULIE'S VERY BAD DAY: "IF THE PEOPLE DON'T HAVE THE FACTS, DEMOCRACY CAN'T WORK."

Today can best be summed up by two conflicting statements: Kevin Downing, claiming today's sentence proves there was "No Russian

collusion,” as protestors called him a liar for doing so. And Amy Berman Jackson, noting that, “If the people don’t have the facts, democracy can’t work.”

MIKE FLYNN’S COOPERATION AND THE GIGLIO CLOCK

Prosecutors in the trial of former Mike Flynn sleazy influence peddler partner Bijan Kian say they need a month to come up with a way to share Flynn’s 302s on investigations unrelated to Kian.

ROGER STONE’S SEEMINGLY CREDIBLE EXCUSE STARTS FALLING APART WELL BEFORE BRUCE ROGOW ASKS FOR A NOTE FROM HIS DOCTOR

Roger Stone wrote what – if you don’t look closely – seems like a credible excuse for not telling Amy Berman Jackson about his book attacking Mueller. That’s until you look at the evidence that he and probably at least one of his lawyers know he’s lying.

DEAR EDITORS: STOP TRYING TO PREDICT THE MUELLER REPORT

Somehow, the journalist behind the Mystery Appellant scoop forgot to mention that in the latest prediction that Mueller is done.

ART OF THE GET- SCREWED-IN-YOUR- RUSSIAN-QUID-PRO-QUO DEAL

A lot of people believe that, absent proof that Trump benefitted from entering a conspiracy to help get elected, it absolves him of guilt. That's not how criminal conspiracy law works.

TWO TRAJECTORIES: SLEAZY INFLUENCE PEDDLER PAUL MANAFORT AND FOREIGN AGENT

PROSECUTOR BRANDON VAN GRACK

Like many, I'm pissed that TS Ellis treated sleazy influence peddler Paul Manafort as if he has had an otherwise blameless life. But I take some solace in the fact that DOJ is committing new resources to stopping the next sleazy influence peddlers.
