

AS JOHN DURHAM PREPS FOR HIS CLOSING REPORT, HIS OWN WITHHOLDINGS BECOME KEY

Among the records that Igor Danchenko's lawyers have shown John Durham withheld from witnesses was a communication that Durham himself included in his Danchenko indictment.

"IT CERTAINLY SOUNDS CREEPY:" JOHN DURHAM ADOPTS THE "COFFEE BOY" DEFENSE

When Igor Danchenko's attorney introduced metadata disproving that Durham's argument that Sergei Millian couldn't have called Danchenko on the same days he was calling George Papadopoulos, Durham decided he needed to start denying Russian "collusion."

JOHN DURHAM TWICE MISREAD STEELE DOSSIER SOURCING TO

INVENT A PARTISAN CLAIM

In his second day of trying to prove Igor Danchenko unreliable, John Durham twice misread the dossier, both times to make partisan claims that don't hold up.

JOHN DURHAM'S RE-VIRGINED BIRTH OF THE CARTER PAGE AND SERGEI MILLIAN INVESTIGATIONS

In his direct examination of FBI analyst Brian Auten yesterday, John Durham once again tried to pretend that the Steele dossier was the origin of investigations against people who were already under investigation.

IGOR DANCHENKO WOULD HAVE BEEN A CRUCIAL WITNESS TO UNDERSTANDING THE DISINFORMATION IN THE DOSSIER

All the frothers wailing at the news that Igor Danchenko served as an FBI source for 40 months

are basically complaining that the FBI tried to understand how the dossier came to be used as disinformation.

IMAGINE IF MAGGIE HAD REPORTED THAT VLADIMIR PUTIN DICTATED TRUMP'S JUNE 9 MEETING COVER STORY?

When Trump attempts to cover up his crimes, he literally buries the evidence under stacks of press clippings. And those press clippings are, often as not, distractions he has fed (directly or indirectly) to Maggie Haberman to tell.

ANTHONY TRENGA SMOTHERS THE FROTHERS' HOPES FOR A PEE TAPE TRIAL ... BUT NOT THE DAMAGE DONE BY CREDULOUS PRESS

Judge Anthony Trenga has refused to let John Durham turn the Igor Danchenko trial into a pee tape circus. Will the journalists who played Durham's clowns last year retract?

FBI APPROVED IGOR DANCHENKO AS A SOURCE BEFORE IT STOPPED DOING BACK- DOOR FISA SEARCHES TO VET INFORMANTS

Until 2018, the FBI did back door searches, including on FISA material, before they made someone a Confidential Human Source. That likely included Igor Danchenko.

DOJ INSPECTOR GENERAL REPORT ON THE TENSIONS CREATED BY PARALLEL CONSTRUCTION

DOJ Inspector General did a report laying out the tension between FBI's National Security and Cyber Law Branch and DOJ's National Security Division. It might better be described as the tensions arising from DOJ's practice of parallel construction.

WHEN STEVEN ENGEL AND ED O'CALLAGHAN SAID IT WAS LEGAL FOR RUSSIA TO HACK HILLARY

The Barr memo drafted by Steven Engel and Ed O'Callaghan is so sloppy it even suggests it was legal for Russia to hack Hillary.
