

NY TIMES ADMITS GRUBER PROBLEM, FAILS TO MENTION KRUGMAN PROBLEM

In a full throated *mea culpa* by the New York Times Public Editor, Clark Hoyt, appearing in the Sunday edition, the Times officially describes the critical and material implications which arise when readers are misled by undisclosed interests of sources and authors like Jonathan Gruber in their paper of record. Unfortunately, Hoyt and the Times did not have the decency to apologize to Marcy Wheeler for previously inferring otherwise.
