

# **PUBLICIZING PIXIE DUST**

One of my early posts on Pixie Dust is nominated for one of the most important under-reported stories from last year. I guess that's just emblematic of the kind of attention Pixie Dust attracts.

## **SURELY THEY'LL RESORT TO PIXIE DUST ON THIS**

Bill Leonard confirms that the classification and declassification surrounding the Yoo Torture Memo is very irregular. Once again, the Administration won't even abide by its own Executive Order on classification and declassification. But never mind—a little pixie dust can fix that!!

## **WHITEHOUSE REVEALS SMOKING GUN OF WHITE HOUSE CLAIMING NOT TO BE BOUND BY ANY LAW**

Sheldon Whitehouse got the key provisions that justify the Unitary Executive declassified—and boy will they make you mad.
