

DID TRUMP JUST CONFIRM HE HID SALLY YATES' WARNING FROM MIKE PENCE?

Adam Schiff suggests that Trump's delay in firing Mike Flynn would be of interest to the House Intelligence Committee. One thing that happened during that delay was a phone call with Vladimir Putin.

WHAT WAS THE RELATIONSHIP BETWEEN FSB AND GRU IN THE DNC HACK, REDUX?

The relationship between two different hacking groups in the DNC hack has always been curious and conflicting. Last week's HPSCI hearing – as well as the Yahoo hack – only further obscured the issue.

DID DEVIN NUNES JUST REVEAL NSC IS MONITORING AGENCY RESPONSE TO

CONGRESS?

More details on Devin Nunes' middle of the night trip to the White House come out.

THE JARED KUSHNER MEETING GETS CLOSER TO QUID PRO QUO

The meeting between Jared Kushner and the head of a sanctioned Russian bank gets far closer to the kind of quid pro quo that would merit action against Trump than all the other allegations swirling around.

NATIONAL ENQUIRER'S SERIAL SPY NOVEL: FEATURING HILLARY, FLYNN, ASSANGE, PENCE, AND RYAN

People assume the National Enquirer piece claiming Mike Flynn is "the Russian spy in Trump's midst" is a pre-emptive hit because Flynn is (allegedly) cooperating with the FBI. But it's probably, instead, part of a larger effort to justify a generalized witch hunt.

REPUBLICANS PREPARE TO ACCUSE HILLARY OF RUSSIAN TIES

On Monday, Devin Nunes suggested some private citizens might have evidence of Russian attempts to cultivate Hillary's campaign. Since then Republicans get closer to offering up such allegations.

FBI IS EXAMINING POSSIBLE COORDINATION WITH RUSSIA, NOT COLLUSION

When discussing the potential case against Trump's affiliates, it's worth remembering that FBI is thinking in terms of coordination, not collusion.

THE TEMPORAL FEINT IN ADAM SCHIFF'S NEAT NARRATIVE

Many people were impressed with Adam Schiff's seemingly tight presentation of a quid pro quo on Monday. Only, the timeline of events doesn't support Schiff's case.

WHEN A WHITE REPUBLICAN GETS SPIED ON, PRIVACY SUDDENLY MATTERS

Tom Rooney and Trey Gowdy are very concerned the leak of details of Mike Flynn's incidental collection will make it harder for them to reauthorize Section 702. But in the process of expressing that concern, they made it clear they have zero understanding of how FISA works – or how easy it is to access US person content, particularly at the FBI.

FBI DELAYED TELLING THE GANG OF FOUR ABOUT TRUMP-RELATED INVESTIGATION BECAUSE IT IS SO SERIOUS

Very early in today's Russia hack hearing, Jim Comey confirmed there was a counterintelligence investigation into Russia and Trump associates. It wasn't until close to the end of the hearing, however, when Elise Stefanik elicited the detail that FBI had delayed briefing congressional leaders because of the seriousness of the investigation.
