

# **THE TWO NEW MATERIAL ERRORS ARE THE NEWS FROM THE IG REPORT ON WOODS FILE ERRORS**

DOJ IG released another of its reports on FISA, showing that for 2.6% of FISA applications, the FBI didn't have any Woods file attesting to the accuracy of discrete factual claims in the application. But while the report shows far more substantive issues that need to be addressed with the FISA process, it doesn't acknowledge that those substantive issues are more important to the integrity of the process than Woods files.
