

CHUCK GRASSLEY MUST THINK THE FD-1023 INFORMANT IS WORTH KILLING OFF

That Chuck Grassley released an almost unredacted FD-1023 after dire warnings from the FBI is a tell. If you want to pursue the allegation, you do everything you can to protect the FD-1023 and the informant. If you want to fuel a controversy, you release the FD-1023, even at the risk of getting the informant killed.
