

RAT-FUCKER RASHOMON: ACCESSING HOLLYWOOD COVER- UPS OF THE RUSSIAN ATTRIBUTION

Rather than telling us what the Mueller team learned about Roger Stone's influence on the timing of the John Podesta release on October 7, 2016, the Mueller Report provided a comedy routine featuring Jerome Corsi's shifting claims about that day. It may have done so to hide that Stone timed the Podesta release to cover-up the US government's attribution of the DNC hack to Russia.
